

WHEN WE COACH

12/16/09

For spring 2010, in addition to continuing our coaching programs in Berkeley and Oakland which started in the fall, we are delighted to be returning to Albany Middle School to work with students for eight weeks on their research projects.

2009-10 COACHING SCHEDULE

At some schools coach teams meet with classes about twice a month, October-May; at others, they meet 3-4 weeks per month for about 20 weeks throughout the school year. At Albany Middle School coaches will meet for eight weeks, February-early April, except during the mid-winter break (2/15-19). Please check with the site coordinator at each school for details.
